### **Leadership Vision**

“What is my hope and pray for The Lutheran Church--Missouri Synod? That we steadfastly maintain our stance on the foundation of God's Word and on the Lutheran Confessions, because they are in agreement with the Word. At the same time, we must trust, honor, and celebrate our church workers' and lay people's Spirit-given wisdom to reach out effectively with the love of Christ in the context in which God has placed them. ”
